

IMPORTANT NEWS FOR ELEMENTARY AND MIDDLE SCHOOL STUDENTS AND PARENTS

Peachtree Ridge High School is expecting another great year of athletic events. The LIONS would like to invite all elementary and middle school students to attend the games and enjoy the fun and excitement. This year, Peachtree Ridge has created a special seating section for these students. All elementary and middle school students must enter the game with a parent/guardian or supervising adult. They may choose to sit with them or in our special **FUTURE LIONS** section with friends. While at the game, they will be able to enjoy the concession stand but returning to their seat is expected. All elementary and middle school students in our cluster will be receiving a letter to parents explaining the new seating policy. We look forward to seeing you at Peachtree Ridge High School supporting the LIONS!
